Summary of Legislation: This bill requires that a member of the faculty elected by other members of the faculty serve as a nonvoting member of the board of trustees of state assisted institutions of higher education.

Effective Date: July 1, 2002.

Explanation of State Expenditures: Under current law, trustees serve without compensation, except that each member is entitled to the salary per diem as provided by IC 4-10-11-2.1 and reimbursement for travel, lodging, meals, and other expenses as provided in the state travel policies and procedures established by the Department of Administration and approved by the State Budget Agency. Members of the Board of Trustees receive a per diem of \$50 per day and reimbursement for travel and lodging. Some of the universities furnish rooms to the members for overnight stay on campus, so there would be no additional costs incurred for overnight lodging at some of the universities.

Assuming that each Board of Trustees meets twelve times annually, the additional cost to these seven institutions would be \$4,200 for per diem expenses, and any additional compensation for travel, lodging, copying, mailing, and incidental expenses.
